If a long overdue catch-up with those you love the most is on the cards, look no further.
Across oodles of spectacular living & entertaining areas, five bedrooms, and 2 bathrooms, there is plenty of room for everyone to move and shake.

In summer, there is no doubt you'll spend hours perched on the expansive deck basking in vitamin D and soaking in that panoramic view. But winters are equally as happily spent curled up in front of the fire settled in for a movie night. Just the thing to keep the kids (both big and small) entertained.

Mealtimes are no drama either, with a large, equipped kitchen and indoor/outdoor dining areas.

A good night's rest for all is ensured, with every room featuring ceiling fans and mirrored built-in robes. Best of all, not one but two rooms look out onto the glistening sea!

There is plenty of space for a game of footy or cricket in the large garden, overlooked from the second balcony upstairs.

The perfect base for exploring the myriad of attractions on the South Coast of ALD; world-renowned wineries, small batch distilleries, craft breweries, delectable restaurants, instagrammable beaches, you name it.

All in all, Mareblue Villa really is a haven for families - something the owners have enjoyed with their own for many years. Now, they'd like to share their piece of paradise with you and yours.
