Spread across two levels, the loft-style design combines soaring ceilings, natural light and a striking staircase to create an inviting sense of space. Downstairs, the kitchen and dining area form a welcoming spot to cook, catch up and entertain, with sliding doors opening directly onto the covered courtyard.

Framed by greenery, this outdoor retreat is somewhere you'll want to spend time. Enjoy a slow weekend breakfast, invite friends over for dinner or simply settle in with a book at the end of the day. With tiled entertaining space and an easy-care garden border, there's room to enjoy the outdoors without a long list of weekend chores.

Upstairs, the mezzanine level accommodates the lounge and bedroom zone, creating a relaxed retreat overlooking the dining area below. Mirrored built-in robes provide practical storage, while the adjoining bathroom and additional powder room make everyday living and hosting guests easy.

A kitchen with dishwasher, tucked-away laundry, air conditioning and tiled floors complete a home that balances personality with practicality.

Whether you're buying your first home, looking for a convenient Darwin base or seeking a property with distinctive appeal, this is an opportunity to enjoy your own space in Stuart Park.
