Zoning & Local Planning

• Primary Zoning: The property group along this section of Pantall Street is situated in an Industrial/Commercial transition pocket, though adjacent parcels (such as Lot 9) carry a Low Density Residential baseline. Because the site operates as a multi-lot commercial parcel package (Lots 7–11), it functions under approved light industrial and commercial storage frameworks.

• Site Dimensions: Council cadastre data records Lot 7 as a deep, rectangular allotment measuring roughly 1105 m² ..
