There are three bedrooms, main bathroom, eat-in kitchen (with dishwasher) opening to a small balcony and living room - with polished floor boards and ceiling fans and air-conditioning throughout. The roof has just been professionally restored and being high-set, there is room for two carparks and masses of space for storage underneath the property. Set on a corner block and has plenty of grass for the kids to play and an abundance of off street parking available. You simply won't find better value than this anywhere so come and inspect. The home is currently being used as an office for a small business.
