Auction

Mixed Farming

Premium Liverpool Plains Black Soil

PART "BOMPA" - 125 CLIFT LANE, CURRABUBULA

Davidson Cameron & Co are proud to present for sale Part "Bompa", 125 Clift Lane, Currabubula - a highly productive 371-acre (150.1 ha) property offering some of the region's sought-after black Liverpool Plains soils, exceptional cropping versatility and a highly convenient location just 35 minutes from Tamworth.

Located approximately 6 radial kilometres southwest of Currabubula and 40 kilometres southwest of Tamworth, "Bompa" is ideally positioned within the renowned Liverpool Plains agricultural district, an area recognised for its fertile soils, reliable rainfall and outstanding agricultural productivity.

The property comprises predominantly level to gently sloping, deep black Vertosol soils, providing an excellent platform for both summer and winter cropping. Beyond its cropping credentials, "Bompa" also presents an excellent opportunity for cattle fattening, with a reliable water supply and quality livestock infrastructure already in place.

Property Features

- 371 acres (150.1 ha) of highly productive Liverpool Plains country
- Premium black Vertosol soils
- Level to gently undulating country
- Well suited to a diverse range of summer and winter crops
