#### Homestead

At the heart of the property lies a beautifully appointed three-bedroom, two-bathroom homestead, thoughtfully designed for both style and practicality. A spacious study, easily converted to a fourth bedroom, adds flexibility for families or guests. Wraparound verandas create a seamless connection to the outdoors, offering year-round enjoyment of the stunning rural surrounds.

The meticulously maintained house yard features established trees and low-maintenance gardens, enhancing the property's aesthetic appeal.

Adding further versatility is a well-presented two-bedroom cottage-perfect for extended family, guests, or as an additional income stream.

#### Infrastructure

"Runnymede" is well-equipped with substantial infrastructure to support a range of rural enterprises. A large stable barn offers excellent facilities for equine enthusiasts, with ample room for horses, feed, and equipment. The stable barn also provides extensive machinery storage.

Steel cattle yards are centrally located for efficient stock handling. Multiple sheds and an original dairy provide additional storage and functional space for tools and operations.

#### Water

Water is a feature, with a 60 Meg WAL and underground mains servicing 8 hydrants across the property-perfect for irrigation and boosting productivity. Additional water includes a stock and domestic allocation, supplying the house yard and a network of concrete troughs throughout the paddocks.

#### Property Layout

Designed with lifestyle in mind, the property offers excellent privacy without sacrificing operational efficiency. The homestead is peacefully positioned, with large open paddocks located behind the home. These working areas can be accessed separately via Dartbrook Road, allowing for easy management while maintaining the seclusion of the residence.
