"Sunset Ridge" 620 Acres of Pristine Upper Hunter High Count

Set amongst the spectacular high country of the Upper Hunter Valley, "Sunset Ridge" represents a rare opportunity to secure approximately 620 acres (251 ha) combining grazing country, pristine waterways and an exceptional rural lifestyle.

Elevated across a magnificent mountain landscape, the property captures sweeping views over the surrounding valleys and ranges, with impressive outlooks towards the renowned Ellerston Station.

At the heart of the property is a beautifully presented five-bedroom homestead, recently enhanced by a quality luxury extension completed within the past 12 months. The improvements have created a comfortable and contemporary country residence designed to take full advantage of the property's remarkable setting.

For those seeking a genuine escape, the natural attributes are difficult to replicate. Omadale Brook provides direct access to pristine running water and opportunities to fish for both brown and rainbow trout, while the surrounding high country provides a spectacular backdrop throughout the seasons.
