PRIVACY WITH LOW MAINTENANCE.

Set well back from the street and privately positioned at the rear of the block, this solid home, built by local builders, offers a welcome sense of privacy in a quiet location close to schools and the Ross Street campus of Bairnsdale Regional Health.

Step inside to a generous open-plan kitchen, living and dining area, where space and natural light take centre stage. The large kitchen offers plenty of bench space and storage, while the light-filled interiors create a fresh, welcoming feel throughout.

The master bedroom is spacious, complete with built-in robes and a large ensuite. A second bedroom is serviced by the family bathroom, while the third bedroom offers flexibility as an additional living area, study or home office.

The single garage comes with the added bonus of generous storage or workshop space, leaving plenty of room for the car.

Outside, the low-maintenance yard keeps upkeep to a minimum, making this an appealing option for downsizers, investors or anyone looking for an easy-care home with the convenience of a lock-up-and-leave lifestyle.
