Romantic Getaway

When you think about the most romantic mode of transportation, what comes to mind? Cars take concentration, Bus rides are too busy, and Cruises only deliver you to ports reachable by water.
Trains though are a terrific way for couples to travel.
Why is it Romantic? Because it's a plush hotel on wheels. You'll enjoy your own private room (3) with double bed in these modern fully self contained carriages.
Carriages Boutique accommodation aims to recreate the golden age of train travel with its authentic 1930 carriages whilst dramatic sunsets and vines provide the scenery.

$160.00 per night - weeknights
