Botanic Views Stage 4 – Titled & Ready to Build

Secure your place in one of Moama's most family-friendly new communities. Stage 4 at Botanic Views is titled and ready to build now, and for a limited time the developer is offering \$10,000 off all remaining allotments.

Open for Inspection

By Appointment.

With only a few lots left in this stage, choose from generous blocks between 847m² and 1005m², giving you room for a family home, a shed, a pool or a big backyard for the kids.

Location is the standout. Moama Anglican Grammar School and the kinder are right on your doorstep, the new St Carlos Primary School is nearby, and the local dog park is just around the corner. You're also close to shops, sporting facilities and the Murray River, with everything Moama has to offer an easy drive away.

Developer's incentive: \$10,000 off remaining titled allotments. Offer ends 30 November. T&Cs apply.

To secure your lot, contact Rowena Ash on 0414 472 962 or Tom Watson on 0427 804 442.
