Two large bedrooms with built in robes provide plenty of storage with a modern bathroom servicing both. A small fenced yard provides plenty of room for gardening or a small pet while a shared garage/shed provides secure parking for a vehicle.

Comfortable in its original form while offering clear scope to personalise, update or capitalise with certainty, this low-maintenance, single level home is perfect for first home buyers, downsizers and investors alike.

This property is being sold with a tenant in place on a short term lease.
