By Appointment.

The kitchen, ideally situated on the lower level, overlooks the meals and living area and opens to the undercover alfresco space. It features a 600mm ceramic cooktop, under-bench oven, pantry, and breakfast bar. The open-plan living and meals area extends to the alfresco, making it perfect for outdoor dining and casual seating.

The master bedroom on the lower level offers a walk-through robe and an ensuite with a shower, vanity, and toilet. Upstairs you have two additional bedrooms with built in robes, the main bathroom includes a shower, bath, and vanity, with a separate toilet. A convenient powder room is located downstairs.

The garage offers walk-through access to the home and under-stair storage.

Fully fenced, the property provides a secure area for children and pets to play. It also features established, low-maintenance gardens and lawns.
