Affordable Housing

Convenient and level location means an easy walk to town and restaurants.

The two bedroom unit is on the ground floor and has a screened patio to watch the world go by.

The kitchen and living space would ideally suit a single person, the bathroom accommodates the laundry but there is a separate toilet.

A renovation would result in a very tidy unit.

The unit should achieve a rental potential of \$190 per week, even more with a renovation.

Open for Inspection
