

1/51 Hare St, Echuca, VIC 3564

\$495,000 to \$540,000

Unit 3  1  2 

Central Convenience with Easy-Care Living

Offering the ease and low-maintenance appeal of townhouse-style living without compromising on space, this beautifully presented central Echuca home is perfectly suited to those seeking convenience, flexibility and comfort.

A huge entrance creates an impressive first impression, flowing through to a warm and inviting lounge room, while the adjoining kitchen and meals area provide a practical hub for everyday living.

Three exceptionally large bedrooms offer excellent flexibility, with the generously proportioned third bedroom easily doubling as a second living area or large home office to suit your needs.

Polished timber floors, new carpet and a fresh, welcoming feel complement the home's comfortable layout, while year-round climate control is assured with ducted gas heating, a gas heater in the main living room and split-system heating and cooling.

Outside, a private, easy-care front courtyard provides a peaceful space to relax without the upkeep of a large garden. A double garage with remote roller door adds secure parking.

And the location is hard to beat, just moments from Coles, Echuca's main street, the Aquatic Centre and Echuca Hospital.

Central, spacious and wonderfully easy to maintain, this is a home that delivers the convenience of townhouse-style living with the space and flexibility of a substantial residence.
