Villa 2 1/2 1

Nice big villa on a level site near the golf course

These villas were built about 20 years ago by one of our better developers & we have managed this villa since then. It's currently occupied by an excellent tenant who cares for the property well!

It's a quiet block of 4 villas, mostly retired people live here & down the back, is the lake, which some people call Lake Tolhurst, after the original developers.

This developer always made sure his rooms were generous in dimension & this home is no exception.

If you'd like to inspect this home please let us know & we'll book it with the tenant.

The City Centre is about 2.5 km & there is a bus I believe although most people walk or take their car. I personally live just up the street - it's a great neighbourhood with a breeze from the sea in the afternoon.
