Quality, Comfort & Convenience

Perfectly positioned within easy reach of the town centre and directly opposite St Ita's Church and School, this beautifully maintained unit offers an appealing combination of space, comfort and convenience. With only two properties on the block, it provides a sense of privacy and independence that is increasingly hard to find. From the moment you step inside, the generous proportions and thoughtful layout are sure to impress.

The spacious master bedroom features its own ensuite and walk-in robe, while the second bedroom is well serviced by a separate bathroom and additional toilet. A generous lounge room provides plenty of space to relax, while the adjoining meals area connects seamlessly with the well-appointed kitchen, complete with ample bench space and excellent storage. Lovely rural views add an extra layer of appeal and create a peaceful outlook from the living spaces.

The oversized single garage provides excellent additional space for secure parking and storage, while the separate backyard is a welcome bonus for those seeking outdoor space without the maintenance of a large property.
