

1 & 2/10 Railway St, Southport, QLD 4215

Auction

Retail Shop

Shopfront in the Heart of Southport

Auction Location: 1 & 2 / 10 Railway Street

10 Railway Street offers two well-presented shopfronts in the middle of Southport, of 31m² and 32m². They represent outstanding value in a location where retail premises rarely come up.

This is your chance to stop paying rent and own the premises your business runs from. If you're looking for an investment instead, the shops are equally well suited to leasing out.

The north-facing shopfronts sit on Railway Street which takes its name from Southport's original railway terminus, where steam trains from Brisbane first brought holidaymakers to the Gold Coast in 1889. The Broadwater is at the end of the street, and the CBD and light rail transit hub are only three blocks from the door.

Opportunities like this are as rare as hens' teeth, so don't miss the auction.

Features:

- Two shopfronts of 31m² and 32m²
- North-facing frontage
- Central Southport location on one of the area's original streets
- 100 metres to the Broadwater
- Three blocks to the CBD and light rail
- Suits owner-occupiers or investors

Contact Ben on 0402 921 314 for more information or to arrange an inspection.
