Immaculate Home - Just Move In And Enjoy

If your looking for a modern, spacious home on a large flat block then this is for you. The home comprises 4 bedrooms (walk in robe to main), plus a huge open plan kitchen/dine/lounge room with all modern appliances, large bathroom with shower and bath and a separate area with the vanity and toilet. Additional features include both a front and rear verandah, floating floor boards, ducted reverse cycle air conditioning, reticulated watering system, garden lights and landscaped garden and lawns with good paving. The home has great front access to a double carport and a steel frame 40 x 20 shed with power and concrete floors. A quality home well worthy of inspection and appreciation.
