GREAT INVESTMENT!

This spacious home is within an easy walk to all that Alstonville has to offer. On your own 733 sq m block you can enjoy a beautiful garden with our rich red soil and have plenty of room to build a BIG hobby shed. The two bedrooms are both a good size. The air-conditioned living room is spacious with room for a study nook in the hall. Rediscover the solid timber flooring to compliment the renovated kitchen. There is a covered veranda at the rear of the home that faces north. This end of Maple Drive is tucked away from the by-pass, so whether you are reaching into the Alstonville market for investment or our family and community values, you must inspect this one. LN:2510
