Set across two luxurious levels, this magnificent five-bedroom residence showcases sophisticated French Provincial-inspired design, premium finishes and impressive proportions throughout. From the moment you arrive, the home's distinctive character is immediately evident, with a striking travertine-tiled entrance, custom double metal doors and a grand foyer featuring soaring 3.5-metre ceilings.

At the heart of the home is a spectacular designer kitchen featuring Taj Mahal stone benchtops, an oversized island, custom shaker-style cabinetry, 900mm oven, integrated dishwasher and commercial-grade ducted rangehood. A stylish wet bar with integrated microwave complements the expansive open-plan living and dining area, beautifully enhanced by custom joinery, elegant bulkhead ceilings and full-height sheer curtains.

Large sliding doors provide a seamless connection to the covered alfresco entertaining area, complete with travertine tiling, ceiling fan and a fully equipped outdoor BBQ kitchen. Overlooking the private, level backyard, this space is perfectly suited to entertaining family and friends.

Upstairs, engineered timber flooring flows through to a spacious rumpus retreat and four generous bedrooms, including two impressive master suites. The primary master suite features a Hollywood-style walk-in wardrobe and luxurious travertine ensuite, while the second master suite offers its own ensuite, walk-in wardrobe and study nook.

A versatile fifth bedroom or home office is conveniently positioned on the ground floor alongside a beautifully appointed full bathroom, making it ideal for guests, working from home or multi-generational living.
