Prime Industrial Investment

A fantastic investment opportunity, with 2 long term tenants in place, both being long established, successful local businesses.

The generous title consists of one allotment of 3247 square metres with access off O'Connor Street and a high exposure 83 metre frontage to Chifley Road/Bells Line of Road at the Eastern gateway of Lithgow.

A rare offering, with a distinct lack of industrial property in the Lithgow and most existing property owner occupied, leaving very scarce supply for potential tenants.

Contact Jamie Giokaris or Peter Seeto for an information memorandum and full investment details.
