Brand-new townhouses - lifestyle meets location

Note: These townhouses at 260 Harbour Drive are now all under contract, however, the same developer is currently constructing a brand-new complex at 16 Avenue Street, located even closer to the CBD and the golf course, and featuring similar high-quality finishes. We invite you to attend the advertised open home at 260 Harbour Drive and experience the developer's style and flair, similar to visiting a display home. Doing so may help you make an informed decision if you are interested in purchasing a townhouse in the similar, under-construction complex at 16 Avenue Street. You can also visit www.fncoffs.com to view the 16 Avenue Street listing online.
