Currently under construction and due for completion around Nov 2026, each residence has been thoughtfully designed for effortless living. Inside, the living, dining, and kitchen areas flow seamlessly to the undercover alfresco and private courtyard - perfect for entertaining or unwinding. Upstairs, you'll find three generous bedrooms, including a main with ensuite, while a central bathroom serves the remaining rooms. Reverse cycle air-conditioning is also an added bonus.

Quality fixtures throughout, and a practical downstairs laundry with guest toilet complete these well-appointed homes. Whether you're a downsizer, first-home buyer, or investor, these homes offer the ideal blend of coastal lifestyle and city convenience.
