Brand new 2 bedroom Townhouses!

Lots 10, 11 and 13 offer identical, thoughtfully designed three-level townhouses, each featuring two bedrooms and two separate living areas - one located downstairs and the other upstairs, providing flexibility for both relaxation and entertaining. These homes are finished with quality modern appliances and styled with neutral tones throughout, creating a fresh and contemporary feel. Designed for comfort and convenience, each townhouse includes heating and cooling that services the entire property, along with the added benefit of a single lock up garage.
