** IMPORTANT INFORMATION ABOUT INSPECTING & APPLYING FOR A PROPERTY **

If you are attending an open home inspection or visiting the office, you MUST wear a face mask.

If this property has an available date in the future, this means that the property is likely still tenanted and inspections will be advertised online once they are scheduled.

If there is an inspection time advertised, there is no need to register your attendance, however we strongly recommend you check back to this advertisement or contact our office on the day of the inspection to confirm that the time has not changed or the inspection cancelled.

If there is no inspection time advertised, please submit an enquiry and we will reply with the inspection details once it has been arranged - we ask that you bear with us while we try to arrange an inspection for you and that you do not send multiple enquires for the same property. Be assured we will reply to your enquiry once a time is made. Our team is experiencing a larger than usual number of enquires and calls so we do appreciate your patience and understanding.

Please note we do not accept 1Form applications. We have our own online application form to make applying that much easier for you. Just visit our website www.ljhooker.com.au/stafford or click the following link https://applyonlineljhookerstafford.com.au/ to complete the Rental Property Application Form.
