By Appointment.

Step inside to a welcoming lounge, complete with a split system air conditioner, complemented by ducted evaporative cooling throughout the home and gas bayonet for winter. The adjoining open plan kitchen and dining area provide a functional space, offering ample under bench storage, a freestanding gas cooktop and oven, and a generous fridge recess.

The accommodation includes two well proportioned minor bedrooms, with one featuring a floor to ceiling mirrored built in robe, while the spacious master bedroom located at the end of the hallway boasts a built in robe and its own split system air conditioner. The centrally positioned bathroom is easily accessible from all bedrooms and features a large vanity and a glass panelled shower.

Outside, the private rear patio provides the perfect setting for entertaining, with ample space for barbecues and gatherings. A small garden shed adds practicality, while the low maintenance setup makes it ideal for downsizers, busy professionals, or investors.
