House 3  1  1 

## Updated Three Bedroom Home

Step into this freshly updated three-bedroom home, where updated paint and carpets create a bright, clean feel from the moment you arrive. The practical layout offers a renovated bathroom with floor-to-ceiling tiles and a convenient second toilet in the laundry, which is ideal for busy mornings and growing households.

**Open for Inspection**

By Appointment.

Outside, the undercover entertaining area is perfect for weekend barbecues or relaxing evenings, and it overlooks a fully enclosed rear yard that is safe and secure for kids and pets. With garden sheds for extra storage and a single lock-up garage with drive-through access to the backyard, there is room for vehicles, tools and toys alike.

Further features include:

- 3 spacious bedrooms all with built-in robes
- Bathroom with floor-to-ceiling tiles
- Second toilet conveniently located in the laundry
- Modern kitchen with casual and formal dining options
- Ducted air-conditioning
- Solar
- 10x4 undercover entertaining area overlooking the backyard
- Fully enclosed rear yard, secure for children and pets
- Garden sheds for additional storage
- Single lock-up garage with drive-through access to the backyard
