House 3 1 1

Family Home with added extras

Sit back Relax and enjoy is the only thing that you will need to do when you move into this perfectly presented 3 bedroom home.

Family living is made easy with separation of all living areas, The kitchen has its own domain situated beside the air conditioned dining room whilst the extra long air conditioned main lounge room area is nicely situated just around the corner allowing for minimal interruptions at meal time.

Step out the back form both the dining and lounge rooms and you can enjoy the convenience of outdoor living all year round. The entire length of the house plays host to a large covered entertaining area that has then been divided into a fully enclosed Queenslander room that also has the added bonus of not just screened windows like most but this one has closeable windows that will not let the weather in as well as 2 lockable doors either end.

Enjoy the remainder of the roofed area as an open area however it does provide walls 1/2 the height all the way around as well.

The back yard has been split into 2 yards one for children to play and the other is a good size for the family pet. There is plenty of storage with a large 1 bay shed and workshop out the back yard.

No lockable garaging exist however your car is protected from the elements by the extra long carport and extra high wooden gates providing privacy from the street.

Minimal gardening is required with a large garden in the front yard that provides for plenty of privacy for the house other than that its just a simple mow to the rest of the large level and flood free block that houses this great value family home.

Looking for a great buy that will offer a good return for your investment then you must view this property.
