

10 Clutha Ct, Highland Park, QLD 4211

Sold - 10/04/2026

House 3 2 4

Renovators delight with endless potential.

MORE PHOTOS TO COME WITHIN 24HRS.

Set in a quiet cul-de-sac and packed with potential, this original-condition 3-bedroom home sits on a generous 894m² block and is perfect for renovators, investors, or buyers looking to add value.

The home features raked ceilings that enhance the sense of space in the main living area, air conditioning throughout parts of the home, and a welcoming front timber deck. While the property is in original condition and can certainly do with some updating, it offers a fantastic foundation to renovate and create your dream home with such a big block and multiple car accommodation. The current owner had a huge pergola fitted to the side of the home and fully enclosed to make another living area, and all with council approval.

Outside, there's plenty of room for vehicles and storage, including 4-car undercover parking, a dedicated caravan / boat pad at the front of the property, a huge garden shed, and two water tanks. The expansive yard provides endless possibilities for landscaping, extensions, or outdoor living.

Conveniently located just minutes from Highland Park shops, you'll enjoy easy access to great cafés, takeaway options, and everyday amenities.
