Positioned just moments from the heart of Picton, 10 Downing Street presents an outstanding opportunity for investors, builders, or those looking to secure a foothold in one of the area's most desirable pockets.

Set on a generous 809m² block, this unique property is split into two separate residences, each offering 1 bedroom, 1 bathroom, and a combined living and dining area. Currently returning a combined rental income of \$610 per week, it provides an immediate and reliable income stream from day one.

There may also be potential for a duplex development (STCA), offering an exciting opportunity to further capitalise on the land, however buyers are encouraged to make their own enquiries with council.
