The master bedroom is located at the rear of the house away from the other bedrooms, it is of generous size, offers air-conditioning and has ensuite bathroom. The 2nd & 3rd bedrooms are of good size and have built-in robes. A fourth bedroom has been built-in underneath the house and is also of good size, has air-conditioning, adjoining it is an ensuite bathroom.

The laundry is located under the house and is semi-enclosed, there is room for storage under the house also. Undercover car parking for 1-2 vehicles and paved areas adjoining allow room for further parking.

Large shady trees provide protection at the front of the property, at the rear is a large lawn area which provides a excellent area for children to play and there is a gate to access the park at the rear. Across the road is another park which has a playground and then you are through to Fannie Bay shopping precinct.

NOTE - Front triangular balcony off lounge area is inaccessible
