Russell Island is part of Redland City, Queensland and the largest of the Southern Moreton Bay Islands. It has a length of 8 kilometers and width of nearly 3 kilometers and is situated between North Stradbroke Island and the mainland. Home to evocatively named landmarks such as Kinbbinkibbinwa Point, Ooncooncoo Bay and the Whistling Kite Wetlands, Russell (Canaipa) has a rich history; originally inhabited by indigenous residents later limeburners, timbergetters, oystermen and sugar, fruit and cotton farmers of yesteryear called the island home.

We now have a range of facilities and services that include and RSL and Bowls Club, a shopping center that includes a Supa IGA, post office, bakery and hair dresser. We also have a police station, ambulance center, public swimming pool, primary school, child care centre hardware store, petrol station, vet, pet store, and several great cafes. There is also a medical center, pathology collection center and pharmacy.
