Viewtiful and Immaculate!

OK, so let me get this right; you want 3 bedrooms not 4, a large open plan living, dining and kitchen design with absolutely stunning views over the Illawarra and green rolling hills. You'd like internal access from your oversized garage and a separate living area, a second shower and toilet, a separate enclosed outdoors area and a small low maintenance rear garden! Well look no further! This stunning and absolutely immaculate split level design has been lovingly cared for and is ready for its new owners. You are sure to be impressed with this residence!
