With everything from top-rated schools, restaurants, and shopping centres to the train station and cinemas just minutes away, you'll be living in the heart of convenience and style.

The moment you step inside, the home's appeal will capture your heart. This property is designed for both entertaining and comfortable family living, starting with a massive living area that was extended in the early 1990's that flows effortlessly through stunning French doors onto an expansive covered deck. And it doesn't stop there-the deck leads out to a breezy rotunda, giving you even more space to entertain or simply enjoy a quiet evening with the family. Whether it's hosting a BBQ, celebrating a milestone, or just relaxing with a good book, this outdoor space has you covered.

The spacious master bedroom offers a serene retreat with air-conditioning, its own ensuite and walk-in robe with private access to the back deck while the additional three bedrooms are all air-conditioned and are perfect for kids, guests, or even a home office. With a second main bathroom, everyone will have plenty of space to get ready in the morning, making this home as practical as it is beautiful.

If you love cooking, you'll be delighted by the large timber kitchen. Equipped with a gas stove and a dishwasher, it's perfect for whipping up everything from casual
