Inside, polished timber floors and crisp true white paint create a bright, airy feel. Refurbished doors maintain the home's character, while the brand-new kitchen impresses with stone benchtops, ABI brushed nickel tapware, an electric oven with a gas stovetop and custom shelving. The stylishly designed internal laundry seamlessly complements the kitchen, adding both function and convenience.

Each of the three bedrooms features plush new carpet, built-in wardrobes and remote-controlled ceiling fans for year-round comfort. The main bathroom has been beautifully updated with a new vanity, toilet and a deep, refurbished bathtub. A dedicated shower space and a second toilet at the rear of the home add extra practicality.

Step outside onto the rear timber deck, perfect for entertaining or relaxing. The fully fenced, low-maintenance block provides privacy and security, with side-gated access offering extra storage for boats, trailers, or other large items.

Key Features:

- Solid hardwood timber base
- Gas hot water system
- 13 solar panels with a new inverter system
- Single lock-up garage with extra storage
- Floor height: 13.19 m per council information

Positioned on a desirable corner block the property was affected in the 2022 flood. We hope to see you at an open home or contact your Wal Murray sales agent today to arrange an inspection.
