House 4  2  2 

Vendor Drops \$26,000 for To Meet The Market

Impressive, Spacious, Stylish are three words that come to mind.

Set in a family friendly street close to schools, parks & shops, the home itself is light & breezy & perfect for entertaining.

The living area flows out to a covered outdoor space overlooking the pool, just perfect for those warm summer days.

- * Master bedroom with his and hers walk-in robe & huge spa en-suite
- * Formal and informal living spaces
- * Covered outdoor entertaining area with vergola roof
- * Fully fenced yard with stunning in-ground pool
- * Insulated and air conditioned
