House 3  1  3 

Magnificent Renovation... Not a Cent to be Spent

Fastidiously maintained and meticulously renovated, this home presents as new with all the character of a hardwood timber home.

Complemented by stunning gardens and clever landscaping, the home offers 3 very generous bedrooms, 2 with built-ins and air-conditioning, a brand new kitchen, modernised bathroom, gleaming polished timber floors and separate lounge and dining rooms.

The home has been recently painted inside and out and has a new colour bond roof.

The 655sqm allotment allows side access and accommodation for 3 cars, a large garden shed and still ample room left over for the kiddies and animals to play.

This home has great potential to be raised to capture wonderful city views.

Forget renovating, secure this home that has had it all done, including wiring and plumbing!!!

Close to schools, shops, trendy Manly cafe's, harbour, Manly Train Station and Busses to the city and surrounding areas.
