Versatile Family Home on Large Block in Central Location!

Conveniently located in a progressive area only five minutes to the Town Centre and a short level walk to Shops, Schools, Medical, Restaurants, cafes, and the Westport Foreshore, your search may be over with this versatile two-storey home. Capturing light and breeze, upstairs offers three generous bedrooms with built in robes, a fully renovated floor to ceiling tiled bathroom including a bathtub, fresh white modern kitchen overlooking a big sunny backyard, and a spacious lounge and dining area opening onto an expansive sun-drenched balcony providing panoramic views across the tree-lined district and beyond. Durable hardwood floors flow throughout, and exposed timber ceiling beams add to the homes character and charm. For year-round comfort there is RC air con and ceiling fans. Downstairs is the real surprise with a huge multi-purpose area including a kitchenette, built in desk and storage, bathroom, and laundry. So many possibilities to consider, and such a great location for convenience, do yourself a favour and be sure to put this outstanding property on your must-see list.
