Rare Airfield Opportunity – Fully Serviced Hangar Block

This expansive 40m x 60m allotment offers the perfect combination of convenience and aviation lifestyle. Fully serviced with power (single or 3-phase), town water, and sewer connection, the block is ready for development.

Situated just a few kilometres from the heart of Tocumwal, the property boasts direct taxiway access to the runways of the historic Tocumwal Aerodrome, making it ideal for aviation enthusiasts or those seeking the ultimate hangar-home location.

Opportunities like this are seldom available – a rare chance to secure a fully serviced block with direct airfield access in such a sought-after position.
