House 4 2 2

Massive Family Home with Pool in Sought After Pocket

Great street appeal; three living areas; pool; potential side access for caravan/boat; ducted air conditioning; new carpets, interior paint and lighting; convenient location. These reasons alone will ensure that this property is not going to last long on the market. Perfectly suited to families who are looking for a floorplan with thoughtful separation, 11 Zandra Street combines spaciousness with functionality.

Open for Inspection

By Appointment.

The convenience of its location is hard to beat with childcare centres, schools in the catchment area nearby, and a myriad of choices for personal and household shopping with the neighbourhood retail hub on Ney Road, and the larger shopping centres of Capalaba Central and Capalaba Park Shopping Centre, only a short drive away.

Homes of this size in this location rarely come to market. Whether you're upsizing or just simply wanting extra living room for the family, this is an opportunity not to be missed. Call Rachael or Corinne to organise an inspection sooner rather than later!
