

116B Sampson St, Orange, NSW 2800

Sold - 16/03/2018

House 3  1  2 

FLIP IT!!!

Situated in the very popular Sampson Street area, this home would be ideal for the home handyman, and needs some TLC so if you're ready to put some work in then reap the rewards. With three bedrooms all with built-in robes, central bathroom with separate toilet and large open plan kitchen, dining and living along with a laundry. There is a large gas wall heater that would be more than adequate to heat the entire home. There is a single lock up garage and carport to park your trailer or caravan in the private back yard which is fully fenced. This home would be perfect for retirees as there are no steps and it is close to the CBD, Cook Park, schools and coffee shops. Call for an inspection.

Open for Inspection

By Appointment.
