One Of The Best Don't Delay

Positioned in one of the most sought-after streets in town, this 100% cleared block presents an outstanding opportunity to build in a premium location surrounded by quality homes.

The hard work has already been done, with the property Colourbond fenced on both sides and the rear, giving you a head start on your build and added privacy. The land is flat and level, making it ideal for an easy and cost-effective construction process.

Access is simple via a sealed road, and all the essential services are available including town power, town water, and NBN internet, so you can build with confidence and convenience.

Blocks in streets like this are tightly held and rarely come to market. If you've been waiting for the right location to build your dream home, this is it.
