

118 Junction Rd, Morningside, QLD 4170

Leased - \$735

House 2 1/2 1 1/2

Modern and spacious home- Pet Friendly

From the moment you walk in, you will instantly feel at home in this beautifully presented property. It's modern and practical design is perfect for a small family or couple, with plenty of space throughout the home and an undercover back patio for relaxing on summer afternoons with friends.

Open for Inspection

By Appointment.

The light-filled rooms adorn the home with a spacious feel, including the modern and open kitchen that is ideal for entertaining. The separate living and dining areas have been designed with privacy in mind, giving the home a tranquil feel. The contemporary renovations accommodate a low-maintenance lifestyle, which flows into the sizeable yet simple grassy backyard. There is a remote gate entry into the property, ensuring that it is safe for little ones to play out in the sun. There are also fans throughout the house to keep you cool

during these summer months.

The master bedroom has AC, and both bedrooms are bright and open. They are separated by a stylish bathroom that is well placed in between, and has a separate toilet that is located next to the laundry room.

This property is situated on large 751sqm block, including an undercover carport and garden shed.

Conveniently located in the sought-after suburb Morningside, enjoy being positioned just 15 minutes from the Brisbane CBD. Along with that, this property is close to endless amenities that are all within walking distance.
