Sold - \$435,000

Townhouse 3  2 

Terrific Townhouse

Totally freestanding, this generously proportioned modern townhouse has an adaptable floorplan with the size and features you require. It boasts three double bedrooms with built-in and walk-in wardrobes, the master is downstairs making it ideal for those who desire single level living, both upstairs and downstairs bathrooms are stylishly appointed, the enormous living area is fully tiled, the quality kitchen is granite and stainless steel. Entertaining friends and family will be a pleasure in one of the largest courtyards we've seen, there is even a built-in bar-b-que and the pergola protects you from the weather.

That all important double garage with internal access, security gates and the convenient central location completes the picture. Hurry priced to sell today.
