Step inside and immediately feel at home. The light-filled living and dining spaces provide plenty of room to relax, entertain and enjoy everyday life, while tiled flooring, ceiling fans and air conditioning ensure year-round comfort. The spacious kitchen sits at the center of the home and offers generous bench space, excellent storage, and a breakfast bar perfect for casual meals or catching up over a morning coffee.

The main bedroom creates a private retreat with its own walk-in wardrobe and en suite. Two additional bedrooms provide flexibility for children, guests or a home office, while the family bathroom includes a bathtub, ideal for growing households.

Outside is where this property truly stands apart. The expansive covered patio extends the living space and creates the perfect setting for weekend barbecues, quiet evenings or entertaining friends. The private, fully fenced courtyard includes a grassed area for children and pets, without leaving you with an entire weekend of maintenance.
