Built in timeless Western Red Cedar weatherboard, the home is surrounded by a wrap-around verandah, providing the perfect place to sit and enjoy the changing seasons. Inside, the open-plan kitchen, dining and living area creates a welcoming heart of the home, with the east-facing living space capturing the morning sun-an ideal spot to enjoy your first coffee of the day.

Outside, the property is equally impressive. Rear lane access leads directly to substantial shedding and a covered carport, offering excellent storage and secure off-street parking for vehicles, trailers, boats or caravans. The generous backyard provides plenty of room for gardening, pets or simply enjoying the space that comes with an 845m² block.

Whether you're looking to expand your investment portfolio, downsize without compromising on space, or simply enjoy a low-maintenance lifestyle close to the town centre, this property presents an outstanding opportunity in the heart of Tocumwal.

This version subtly speaks to ****retirees**** ("downsize without compromising on space") and ****investors**** ("expand your investment portfolio") without alienating other buyers. It also reads in the style commonly used by premium regional agencies.
