At the heart of the home is a generous open-plan living and dining area adjoining a beautifully appointed kitchen, featuring exquisite stone benchtops that continue through to the pantry, providing excellent workspace and storage. Quality appliances, a ducted rangehood and gas cooking make the kitchen equally suited to quick everyday meals or entertaining family and friends. The north-facing aspect allows an abundance of natural light to filter through the kitchen and living areas, complemented by elegant plantation shutters.

A separate lounge provides a valuable second living space and the perfect place to retreat, relax or give the kids their own zone.

Large sliding doors extend the main living area to a generous alfresco, partially covered under the main roof to provide year-round entertaining while still allowing plenty of natural light into the home.

The home is complete with zoned ducted reverse-cycle air conditioning throughout, built-in wardrobes, an ensuite to the main bedroom and professionally landscaped front and rear grounds with an automated irrigation system.

Positioned within easy reach of the new Windmill Hill Town Centre, the property combines the benefits of a brand-new home with excellent access to everyday conveniences.
