### The A380 of Homes

They say good things come in three's, well with this home you're in luck. Magnificently designed to promote space, comfort and privacy, this home is perfect for the family looking for a little more.

The home features three great sized bedrooms, three bathrooms, three living areas, and three meal areas. You want space, you can't handle the space! Inside the home you will find:

- Master Bedroom or Parental Retreat, with north east views on a private balcony, air-conditioned, containing both walk-in wardrobe, built-in robe, plus an ensuite with spa-bath and separate shower.
- Bedroom two contains a tri-door built-in wardrobe and ensuite also.
- Bedroom three with both his and hers built in robes and an outlook to the courtyard.
- Cathedral ceilings in the lounge room combined with the dining area.
- Living room with access to the courtyard and Rumpus room adjoining.
- The kitchen, with plenty of cupboard space is complemented by both an air-conditioned meals area and a breakfast bench for on the go.
- The front yard is landscaped for privacy, whilst the rear of the home contains an undercover patio area, perfect for entertaining friends.
- Double car garage with an electric roller door.
- Property features gas appliances and a back to base zoned alarm system indoor and out.
