Designed to exacting standards and built with fabulous quality this fully ducted air conditioned home is how living was meant to be. This home is in a quiet cul-de-sac being close to bush-land and the lake. From the entry, you are greeted with a wide hallway leading to the formal lounge or media room, internal access to the double remote garage, the open plan living area is huge, light and airy with large white tiles throughout, the Chefs kitchen with stone bench-tops and gas cooking overlooks the open plan living, leading you outside to a lovely timber gazebo entertaining area, low maintenance grounds with lovely gardens. The master ensuite is modern with double basins and double shower. This is fabulous designer living.

Pets on application.

This property is water efficient, therefore tenants pay usage.
