Built in 2008, this steel-frame home has been thoughtfully updated and is well presented throughout. Inside, you'll find spacious living and dining areas, modern finishes, and the year-round comfort of split-system air conditioning. All four bedrooms are generously sized, with two bathrooms-including an ensuite to the master-for added convenience.

Outdoors, there's plenty of room to move. A double lock-up garage, separate shed, and expansive backyard make it ideal for families, tradies, or anyone needing extra space for storage, work, or hobbies. Solar panels add further appeal, reducing your energy costs and boosting long-term value.
